COCONUT-SVSM BoF

Thursday 19 September 2024 17:00 (45 minutes)

The COCONUT-SVSM community wants to get in contact with the wider Linux and virtualisation community and gather ideas, discuss problems and get input for the next year of development.

Therefore we invite everyone interested in Confidential Computing and the SVSM to join us in this BoF.

Primary author: ROEDEL, Joerg (SUSE)
