

# Linux Plumbers Conference 2025

Contribution ID: 231

Type: **not specified**

## TAB Q&A

*Friday 12 December 2025 09:00 (45 minutes)*

The Linux Foundation Technical Advisory Board (TAB) represents Linux Kernel project interests to the Linux Foundation. It also uses the pooled influence of its elected members to support the long term health of the project.

This open forum / panel discussion is an opportunity to learn about and discuss TAB initiatives and ongoing project needs.
